

Slack is a messaging app for business that connects people to the information they need. By bringing people together to work as one unified team, Slack transforms the way organizations communicate. ESI uses Slack as a communication business tool.

How To Log into Slack

All employees receive an email invitation to join Slack when they are hired at ESI.

NEW EMPLOYEES

- If you are unable to locate the email, you can also click on this link to join:
- <https://esi-4fd1891.slack.com/>
- You will enter your work email address to log in. If you haven't received your work email address yet, use your personal email address. HR will update your email to your work email address once it is established.

CURRENT EMPLOYEES

- If you are not on Slack already, join now: <https://esi-4fd1891.slack.com/>
- Use your work email address, NOT a personal email address.
