

# How to Calculate Your Tax Withholding

Here are some helpful resources that can assist you in calculating your withholding.

## Tax Withholding Estimator:

<https://apps.irs.gov/app/tax-withholding-estimator>

- Use your best estimates for the year ahead to determine how to complete Form W-4 so you don't have too much or too little federal income tax withheld.

## Tax Calculator for Maryland:

<https://www.marylandtaxes.gov/online-services/tax-calculators.php>

<https://www.marylandtaxes.gov/individual/credits-deductions/local-countytax-rates.php>

- Use these online calculators to calculate your quarterly estimated income taxes, the interest amount due on your unpaid income tax, or the amount your employer should withhold from your income for state taxes.
